#### LEGISLATIVE PROGRAM

(Mr. CANTOR asked and was given permission to address the House for 1 minute.)

Mr. CANTOR. Madam Speaker, I yield to the gentleman from Maryland, the majority leader, for the purpose of announcing next week's schedule.

Mr. HOYER. I thank my friend for yielding.

On Monday, Madam Speaker, the House will meet at 12:30 p.m. for morning-hour debate and 2 p.m. for legislative business, with votes postponed until 6:30 p.m.

On Tuesday, the Former Members Association will have their annual meeting on the floor at 8:30 a.m. The House will then meet at 10:30 a.m. for morning-hour debate and 12 p.m. for legislative business. On Wednesday and Thursday, the House will meet at 10 a.m. for legislative business. And on Friday, as is unusual, the House will meet at 9 a.m. for legislative business.

Madam Speaker, we will consider several bills under suspension of the rules. A complete list of suspension bills will be noted by the end of the day.

In addition, we will consider a conference report on H.R. 2346, the Supplemental Appropriations Act on the 2010 Commerce, Justice, Science, and Related Agencies Appropriation Act and the 2010 Homeland Security Appropriations Act. And I yield back.

Mr. CANTOR. Madam Speaker, I thank the gentleman.

I would say to the gentleman that he has noticed two appropriations bills for next week: Commerce, Justice and Science; and the Homeland Security appropriations bills. Madam Speaker, I would ask the gentleman, does he expect the House, as is its custom, to consider these bills under an open rule? And I yield.

Mr. HOYER. I thank the gentleman for yielding.

It certainly would be our intent to proceed with an open rule on the consideration of the Commerce, Justice and State bill—I guess it's Science now. The intent, of course, as the gentleman knows based upon our discussions, is that we will finish all 12 appropriation bills individually between now and the 30th of July. This will give the Senate and the House the opportunity to agree on a conference report on the 12 appropriation bills and hopefully enact those bills and send them to the President prior to the onset of the fiscal year October 1. If we do that, of course, it will be unusual, and it is an ambitious schedule. But because of that, it will be necessary for us to consider these bills in an effective, but also efficient, fashion and stay within

time constraints that will allow us to accomplish those 12 bills within that time frame. I am hopeful that as Mr. OBEY and Mr. LEWIS proceed and the subcommittee Chairs proceed, that we can agree on that occurring.

As the gentleman and I have discussed, we will see how the first bill goes, or the second or third, and hopefully they will go in that fashion. The only constraint that we want is to utilize the time so we can effect the objective of passing these bills by the August break so we will have time to finish them before the beginning of the fiscal year.

I would tell my friend that, in addition to that, there would be one, however, additional request that the chairman of the Appropriations Committee has made—with which I strongly agree and that I think is fair to all the Members and to the committee Chairs and subcommittee Chairs—and that is that there will be a requirement for preprinting an amendment. There will be no selection in the CJS bill of amendments, but there will be a requirement that they be preprinted and included in the RECORD.

If, however, I want to assure the gentleman, there is some problem with the RECORD reflecting an amendment that has been prefiled but doesn't make it in the RECORD, we would proceed as if that had been included in the printed RECORD.

Mr. CANTOR. Madam Speaker, I thank the gentleman.

As the gentleman knows, in 2005 this House did abide by a schedule such as the one that he proposes, and did so under an open rule on each bill.

I ask the gentleman if, given this preprinting requirement that we are proceeding under, if there is a need for a perfecting amendment that comes upon the adoption of an amendment, how is it that we will be necessarily guaranteeing Members' perfecting amendments the right to be heard? Will there be a UC granted for such a perfecting amendment? I yield.

Mr. HOYER. I thank my friend for yielding.

I have discussed this matter with the chairman of the Appropriations Committee, and it is his view—and I share that view, certainly—that in that instance granting a unanimous consent would be appropriate. Obviously, if the circumstances change and such an amendment were necessary, I think the gentleman will find that the chairman is inclined—and I believe the subcommittee chairman will be inclined—to give unanimous consent to achieve that objective.

Mr. CANTOR. I thank the gentleman.

Madam Speaker, I would say to the gentleman that the Speaker of the House has announced a goal of considering the cap-and-trade bill on the floor prior to the July 4 recess. I would ask the majority leader, does he expect the Speaker's goal to be met? And I yield.

Mr. HOYER. I thank the gentleman for yielding.
